REF: STATE 24367

STATE 00032668 001.2 OF 009

SUMMARY

¶11. (U) This is an action request. Please see Paragraph 3 for general talking points. Paragraph 4 has Post-specific points.

¶12. (U) Per reftel, Japan and the World Bank are co-hosting a Donors Conference for Pakistan on April 17 in Tokyo. The stated goal of the conference is to raise \$4 billion to help stabilize Pakistan's economy and provide funding urgently needed for social safety net and development needs, as well as to bolster foreign reserves. The U.S. strongly supports the conference and will likely pledge at least \$1 billion. Department requests an update on host countries' intentions to participate in the conference, especially specifics on anticipated pledge and participation level.

ACTION REQUEST

13. (U) Posts should convey the following points at the most senior level, as appropriate. Posts should again coordinate a joint demarche with Japanese and Pakistani officials, if possible, to ensure a consistent message on the importance that the U.S., Japan, and Pakistan are attaching to this effort. Department requests that Embassy Manila ask U.S. Executive Director at Asian Development Bank to raise these points with Board. Consulate General Jeddah is requested to raise these points with Board of Islamic Development Bank.

Begin talking points.

-- Achieving our security goals in Afghanistan requires economic and political stability on both sides of the Afghanistan-Pakistan border.

-- In his speech announcing the new U.S. strategy for Afghanistan and Pakistan, President Obama stressed the importance of increased economic assistance to Pakistan.

-- The campaign against extremism will not succeed with bullets or bombs alone. This is a global threat that requires multilateral cooperation and a significant financial commitment.
